LIDC Congress 2026 Awaits You

15–18 October 2026
InterContinental Athénée Palace

Three days of debate, dialogue, and discovery with the world's leading experts in **competition and intellectual property law.**

2026 marks two milestones:

150 years
since the birth of **Constantin Brâncuși,** Romania's most celebrated artist.

100 years
since **Bird in Space** redefined art — and the law.

Just as Brâncuși's vision reshaped the boundaries of art and legal interpretation, the LIDC 2026 Congress will explore how law must evolve in the age of **artificial intelligence, digital creation, and innovation.**
